**RESTAURANT**  
ONE DEVONSHIRE GARDENS

*“Wine is food. It is to be enjoyed.”  
-Aubert de Villaine*

It is the primary vein of our passion, and a focus of the service we provide all our guests. It is an impossible game to try and compare different bottlings, place a value on each creation. But like all food and art, there are standout examples that are just world-class; the opportunity to share such bottlings with you is a pleasure our staff enjoy taking seriously.

There is a time and place for every occasion. We're delighted to have you join us today, here at One Devonshire Gardens.

# WINES BY THE GLASS

The Coravin wine preservation system allows wine to be poured without pulling the cork. This gives the opportunity to show some fabulous and exclusive wines by the glass.
